\"Grades computed\" and \"Quality computed?

Posté par danieldgt - 09-03-2010 à 19:45

_____

Students receive two grades in their activities, "Grades computed" and "Quality computed, what are each of these parameters?

 It would be very usefuly, if I know where stay the source the code that works the process of the "Notes et participants". Where is the file responsible for generating the notes?

Thanks.
